4th May 2020

Dear Parents and Carers

Cancellation of Activities Week

It is with much sadness that I have to confirm that we will be **cancelling Activities Week for this year**, with the exception of the Krakow trip.

We had hoped that Activities Week would provide a week of escapism from all the current difficulties and end the school year on a positive note. However, the continuing challenges faced by everyone in the country, and our inability to gain commitment from the activity providers, means that it is in everyone's best interests to make this difficult decision now.

Staff are beginning to work on refunds and we will endeavour to get these all returned to you by May half term. For most of you this will be a simple re-imbursement on your card, but if you paid by cash or cheque then we will need to contact you individually to arrange a bank transfer.

As the **Krakow trip** has required a significant deposit, and NST are still currently intending that the visit goes ahead, we will need to deal with this differently, and I will contact those concerned about this separately.

Mr Hales
