Dear Year 10 Parents and Carers

I hope this email continues to find you and your family safe and well.

Thank you for taking the time to contact teaching staff on Parents' Evening, it was a great opportunity to be able to give personal feedback, guidance and support.

With a view to supporting your son/daughter's learning, if you haven't already downloaded the **ClassCharts App**, could you please do so as this will enable you to see all the work set, deadlines and have a general overview. Please use the dedicated ClassCharts email [homehelp@beaminster.dorset.sch.uk](mailto:homehelp@beaminster.dorset.sch.uk) if you need any help with access to ClassCharts or to get your parent login details.

It has been great to see so many Year 10s in school over the last three weeks, to help them catch up with any work or organise what they have been assigned. May I say how enormously proud I am of them as a year group. It has been a real pleasure to see them again and I have been wowed on many occasions by the work they have produced at home.

While the Government is still in the process of finalising plans for examinations next year, we think it is important that we allow students time to consolidate the work that has been covered so far, and pull together key subject information that will be useful as they go into Year 11.

With that in mind, we have purchased some folders, dividers and other stationery that we will be giving out to students next week. During their consolidation week, which is starting on Monday 6<sup>th</sup> July, we will also be helping students to organise their work so they can easily access it in the future and ensure they have covered all the necessary course content in each subject area.

With only two school weeks left, can I ask that any student who hasn't been in school and needs support please gets in touch as soon as possible so we can arrange any support or guidance.

Please do contact me directly on [lwalton@beaminster.dorset.sch.uk](mailto:lwalton@beaminster.dorset.sch.uk) if you have any questions, worries or concerns.

With kind regards,

Mrs Lisa Walton  
Head of Year 10
